

The Petaluma Health Care District Presents

Community Health Forum

for public information and education regarding the

Health Impacts of Proposed Dutra Asphalt Plant in Southern Sonoma County

Tuesday, March 17th
7:00-9:00pm
Petaluma Community Center- Lucchesi Park
320 North McDowell Blvd., Petaluma

The public is invited to listen to a group of experts speak on the potential health impacts of the proposed Dutra Asphalt Plant.

As your public health agency, we invite you to attend this important meeting **focused specifically on the potential health impacts** of the proposed asphalt plant along the Petaluma River in Southern Sonoma County.
